

# KIWI WORKSHOP

Duratuf Kiwi Garden Sheds workshop range is the ultimate choice when a conventional garden shed is too small.

The fully engineered design is ideal for lifestyle block owners and the serious home handy-man. The Kiwi Workshop series are higher than the standard range and have a more substantial framing system. All timber is pre-cut to size and detailed instructions are included. Some previous building experience is recommended.

## MK4B

Dimensions	4.210 x 3.380 x 2.330 m
LENGTH x DEPTH x Height	13ft 10in x 11ft 1in x 7ft 8in
Door opening width	1650mm
